RE: Request for an Official Opinion

Dear Honorable Attorney General Marty Jackley:

I am writing to you as a citizen and registered voter of the State of South Dakota from District 27, requesting an official opinion on challenging Ms. Red Dawn Foster's nominating petition, certified by the South Dakota Secretary of State on March 26, 2024. *The Secretary of State certified the nominating petition for partisan election for State Senator Ms. Red Dawn Foster as having met the legal requirements for a valid petition.* I am providing a copy of my Affidavit with this letter challenging the legality of Ms. Foster's nominating petition that was received by the Secretary of State on March 28, 2024.

I contacted, via email, the Office of the Secretary of the State on April 3, 2024, about this violation. I was informed by the Deputy Director of the Division of Elections Christine Lehrkamp that my inquiry was prohibited: Reference attachment titled "Email Correspondence from the South Dakota Secretary of State RE: Challenge." To be clear, I am challenging the residency and voter registration requirements of Ms. Red Dawn Foster, the candidate and petitioner, not the signer of the nominating petition.

Under SDCL 12-1-14, "the person in charge of the election shall verify that each person, challenged under SDCL 12-1-13, was a *registered voter* at the time the person signed the petition by using the registration documents on file or, for a nominating petition, that the candidate was a *resident of the district* at the time the declaration of candidacy was signed, in accordance with SDCL 12-6-3.1, and is a registered voter with a party affiliation in accordance with SDCL 12-6-3.2."

Ms. Foster has filed a petition under oath containing materially false statements and thereby making the petition false and invalid. Moreover, it makes the petition a false instrument that cannot be officially recorded by a public official. (Reference SDCL 22-11-28.1 and *State of South Dakota v. Annette Marie Bosworth*, 2017 S.D. 43, <https://ujs.sd.gov/uploads/sc/opinions/27510.pdf>). Ms. Foster has duped the voters in District 27 by establishing false residency within the District. Additionally, Ms. Foster has active voter registrations within two states: South Dakota and Colorado. As the incumbent, State Senator Ms. Foster has misled the registered voters of South Dakota both while collecting signatures on her petition and while maintaining an active voter registration for 17 ½ years within the State of Colorado since October 10, 2006. She has done little to nothing to expunge her active voter registration in the State of Colorado.

Therefore, I hereby request an official opinion on the above matter of issue, as to whether or not Ms. Foster has adequately met the following legal requirements to submit under oath a nominating petition for election for State Senator in the State of South Dakota.

1. Has Ms. Foster met the criteria for determining voting residency under SDCL 12-1-4, based on the evidence, included with the attached Affidavit? Yes or No? Please be specific in your reply.
2. Has Ms. Foster met the criteria for a legislative candidate required to reside in the district of candidacy under SDCL 12-6-3.1? Yes or No? Please be specific in your reply.
3. Has Ms. Foster met the criteria as a candidate to be a registered member of a political party in accordance to SDCL 12-6-3.2 despite the fact that she has two voter registrations with two different party affiliations in two states? Yes or No? Please be specific in your reply.
4. Is my challenge to petition signatures or declaration of candidacy of Ms. Foster's nominating petition considered invalid under SDCL 12-1-13, based on one of six prohibited items identified under the challenge process? Yes or No? Please be specific in your answer as to why or why not.
5. Is Ms. Foster's nominating petition for partisan election considered a false instrument that cannot be officially recorded under SDCL 22-11-28.1 and thereby has committed a Class 6 felony for submitting a false instrument for public recording? NOTE: The South Dakota State Supreme Court under State of South Dakota v. Annette Marie Bosworth, 2017 S.D. 43 identified what is considered a false instrument.

Because time is of the essence due to early voting starting on April 19, 2024 for the South Dakota Primary, I have provided this office with an electronic copy of my letter with supporting evidence, law, and documentation, which will be followed up in hard copy via USPS to the South Dakota Office of the Attorney General.

I look forward to your reply acknowledging receipt of my letter and your official opinion.

Sincerely,

Anthony G. Kathol

Good morning Mr. Kathol-

We have received what you sent. The items you presented are prohibited from being challenged to our office under the challenge process. Thank you.

12-1-13. Challenge to petition signatures or declaration of candidacy. Within five business days after a nominating, initiative, or referendum petition, excluding petitions for statewide initiative, referendum, or constitutional initiative petitions, is validated and filed with the person in charge of the election, any interested person who has researched the signatures contained on the petition or, for a nominating petition, has researched the information contained in the declaration of candidacy, may submit an affidavit stating that the petition contains deficiencies as to the number of signatures of persons who are eligible to sign the petition or that the declaration of candidacy is not valid. The affidavit shall include an itemized listing of the specific deficiencies in question.

Any challenge to the following items is **prohibited** under this challenge process:

(1) Signer does not live at address listed on the petition;

(2) Circulator does not live at address listed on the petition;

(3) Circulator listed a residence address in South Dakota but is not a South Dakota resident;

(4) Circulator did not witness the signers;

(5) Signatures or petition sheets not included in the random sample. This subdivision applies only to petitions for statewide candidates, new party formation petitions, or to local jurisdictions that conduct random sampling; and

(6) Petition that was originally rejected.

All challenges by the same person or party in interest shall be included in one affidavit.

The original signed affidavit shall be received by the person in charge of that election by 5:00 p.m. local time on the deadline date. If the affidavit challenges any item that is prohibited by this section, only that line item shall be summarily rejected.

The decision of the secretary of state or the person in charge of the election regarding a challenge under this section may not be challenged a second time with the secretary of state or the person in charge of the election, but may be appealed to the circuit court. Any challenge with the secretary of state may be appealed in Hughes County. An appeal challenging a nominating petition for a primary election, takes precedence over other cases in circuit court. Any party appealing the circuit court order to the Supreme Court shall file a notice of appeal within ten days of the date of the notice of the entry of the circuit court order.

A failure to challenge a petition in accordance with this section does not deny a person any other legal remedy to challenge the filing of a nominating, initiative, or referendum petition in circuit court. A challenge to a petition in circuit court may include items prohibited in this section.

Dear Kendra,

Thank you for taking my call today. Please have the Director the Division of Elections please respond accordingly in order that I exhaust all administrative remedies to my challenge:

1. Does the Secretary of State (SOS) plan to formally acknowledge in a written letter of receipt of my challenge regarding Red Dawn Foster's nominating petition?

2. I would like to know whether the SOS plans to formally investigate the matter further as to the substance of my challenge or does she intend to ignore the issue that I have brought forth in my challenge?

3. Does the SOS intend to apply the laws of the State of South Dakota fairly or does she intend to misinterpret the intent and application of the law in accordance to how it was drafted by the state legislature. Specifically, the email from the Deputy Director states that my challenge is prohibited because the signer does not live at the address on the petition. Nobody is disputing the address of the signers on the petition. What is at dispute is the petitioners address not the signers. This is where the Deputy Director has misinterpreted the state law. All efforts need to be refocused on the letter and intent of law in regards to residency requirements. Anything short of this is a grave injustice to the voters of this district.

I look forward to the Director of Election and the Secretary of States written letter of acknowledgement to my challenge.

Sincerely,
Anthony Kathol

AFFIDAVIT OF ANTHONY G. KATHOL

I, (Affiant) Anthony G. Kathol, resident of 102 School Street, Martin, South Dakota 57551, County of Bennett, State of South Dakota makes the following statement, testimony and General Affidavit under oath or affirmation, in good faith, and under penalty of perjury, of sincere belief and personal knowledge that the following matters, facts, and things set forth are true and correct, to the best of my knowledge and belief:

On December 18, 2023, it was brought to my attention that the current District 27 State Senator Ms. Red Dawn Foster has voter registration in two states: Colorado and South Dakota. Both voter registrations currently remain active as of March 26, 2024. Reference Exhibits 1 and 2 (pages 5 and 6).

On February 12, 2024, the County of Denver mailed a ballot for the March 5, 2024 Super Tuesday Presidential Primary Election to Ms. Red Dawn Foster's place of residence located at 3838 North Franklin Street, Denver, CO 80205. Moreover, one will see based on the data from the Denver Elections Division Ballottrax posted website, Ms. Foster has been sent multiple ballots since June 2022. Reference attached Exhibit 3 (pages 7 and 8).

On February 23, 2024, at 4:14 PM (Mountain Time), the director of the Oglala Sioux Tribe's Land Office informed me that Ms. Red Dawn Foster presently lives with her cousin Dan Nelson located in a home on the west side of SD Highway 407 South at 114 Moccasin Park Road, Pine Ridge, South Dakota 57770. Reference p. 5 of Ms. Foster's nominating petition for Mr. Nelson's address. This does not match the address identified on her nominating petition that reflects the address of 115 Moccasin Park Road, and is inconsistent with the address on record for her South Dakota voter registration of 119 Moccasin Park Road, Pine Ridge, South Dakota 57770.

As a retired project engineer who worked for the Indian Health Service (IHS) for 21 years, I served the residence of Mr. Dan Nelson under IHS Project AB-03-R15 by extending a community water service line connection from a new water main that was installed parallel to SD Highway 407 South toward the Nebraska-South Dakota border. The aforementioned described work was completed between November 30, 2006 and June 19, 2007. (Reference Exhibit 4 on page 9 of list of project participants with matching number that aligns to the residence number on the drawing. Mr. Dan Nelson maintained the home site lease at that time and continues to not only reside at the residence based on my conversation I had with the director of the OST Land Office on February 23, 2024, but also one can make the argument that he continues to maintain the residential lease agreement on Tribal Tract #T11260 that is held in trust by the Bureau of Indian Affairs (BIA) on behalf of the Oglala Sioux Tribe.

It is highly unlikely that under 25 CFR 162.353 (Reference <https://www.ecfr.gov/current/title-25/section-162.353>), Ms. Foster maintains a sublease at her cousin Dan Nelson's permanent

place of residence based on my own experience of working with BIA Realty Agents throughout my career as a project engineer. I never saw a sublease issued from the BIA.

On March 14, 2024, I contacted Realtor Sheri K. Hussman (605) 867-3589 at the Pine Ridge Agency BIA Realty Office. She informed me that residential home site subleases are not issued. She also said it was illegal for a tribal member to obtain a residential lease and then turn around and then sublease it to another individual. More often than not, the BIA would reassign the lease from the original lessee to the new lessee. Therefore, Ms. Foster would have to have a verifiable lease on file with the BIA to establish permanent residency on the Tribal Tract of land (#T11260) of which she claims as her permanent residence.

Because of the right of privacy and confidentiality requirements, the BIA does not make available for public inspection government documents related to tribally-owned leases unless it is requested through the Freedom of Information Act (FOIA) and would need to be timely in its submission. On March 19, 2024, I submitted a FOIA request to be fast tracked. I have received acknowledgment of my request on March 20, 2024. The FOIA request control number is DOI-BIA-2024-000547. The Bureau of Indian Affairs (BIA) Great Plains Region Office has been requested to provide Ms. Foster's residential leasing information (if it is available). The requested information may not be received in time for submission of this challenge. Therefore, the information under the FOIA request will be appended to this affidavit upon receipt as Exhibit 11 (p. 30).

Regardless of whether or not Ms. Foster has a lease, the OST Land Office director's testimony and Ms. Foster's nominating petition are inconsistent with the records on file both for Adams County and Denver County, Colorado where Ms. Foster maintains two primary residences. Reference Exhibits 5 and 6 (pages 10-25). Moreover, it becomes apparent that when one performs an online search that the county treasurers of both Adams and Denver Counties submit the real estate property tax bill notices to Ms. Foster's primary residence in Colorado located at 9295 Adams Street, Denver, CO 80229, not her primary residence based on her South Dakota voter registration located at 119 Moccasin Road, Pine Ridge, South Dakota 57770, nor the address she writes on her nominating petition. (Reference Figure 3 on page 16 and Figure 5 on page 25 of this affidavit.) Furthermore, the address on her South Dakota voter registration is inconsistent with the addresses reported for Ms. Foster when performing a South Dakota background check on her. Reference Exhibit 7 (page 26).

On March 26, 2024, the South Dakota Secretary of State certified the nominating petition for partisan election for state senator for Ms. Red Dawn Foster as having met the legal requirements for valid petitions. Reference Exhibit 8 (page 27). Under SDCL 12-1-14, "the person in charge of the election shall verify that each person, challenged under SDCL 12-1-13, was a registered voter at the time the person signed the petition by using the registration

documents on file or, for a nominating petition, that the candidate was a resident of the district at the time the declaration of candidacy was signed, in accordance with SDCL 12-6-3.1, and is a registered voter with a party affiliation in accordance with SDCL 12-6-3.2.”

Based on the above referenced information in this sworn affidavit, the nominating petition for partisan election submitted by Ms. Red Dawn Foster is invalid. She is ineligible to file in a public office a nominating petition for partisan election because she filed under oath a petition containing untrue statements of fact and, accordingly, are false instruments. (Reference SDCL 22-11-28.1 and State of South Dakota v. Annette Marie Bosworth, 2017 S.D. 43, <https://uj.s.sd.gov/uploads/sc/opinions/27510.pdf>). Because Ms. Foster’s statements under oath were materially false, the petition is not genuine, which renders them false instruments within the meaning of SDCL 22-11-28.1. The incumbent state senator has misled the registered voters of South Dakota when collecting signatures on her petition while maintaining an active voter registration for 17 ½ years within the State of Colorado since October 10, 2006. She has done little to nothing to expunge her active voter registration in the State of Colorado.

On March 10, 2024, at 2:28 PM, I contacted the Colorado Office of the Secretary of State (303) 894-2200 and spoke with an employee named Jennifer within the State Election Division. Jennifer informed me it is the responsibility of the voter to update their voter registration if they should move to another state. She further explained to me that if the voter failed to vote in two entire election cycles (4 years), the voter registration system is automatically triggered to move the voter’s registration from an “active” to an “inactive” status. She further stated that the voter’s registration would be put in “inactive” status when a mailed ballot or notice is returned to the county auditor’s office because the voter no longer resides at the address on record. Jennifer shared with me that a ballot would not be mailed to a voter once their voter registration has been placed in an “inactive” status. She also explained to me that it is illegal to cast a vote in more than one state and she recommended that I contact the Office of the Attorney General (AG) of either state where the illegal voting activity is occurring to allow the AG to perform an investigation. However, she reminded me that the State of Colorado is not allowed to put a voter’s registration in “inactive” status based on information provided from the general public.

On March 10, 2024, I came across a photo on Google Earth ©2022 taken during the Fall that shows a white vehicle parked in front of Ms. Foster’s primary residence located at 9295 Adams Street, Thornton, CO 80229. The vehicle appears to have license plates from the State of South Dakota (Reference Figure 4 on page 16 of this affidavit). The license plate light blue color looks familiar and appears to be a vehicle registered in South Dakota whereas Colorado license plates are outlined in green with the Rocky Mountains pictured in white in the background. Reference Exhibit 9 (page 28). The photo is unequivocally Ms. Foster’s primary residence in Colorado, but

may not be her vehicle since the license plate number is unidentifiable to protect the anonymity of the vehicle owner, but does make one suspicious as to why a South Dakota vehicle would be parked in the driveway of this particular residence.

In conclusion, Ms. Red Dawn Foster does not have a permanent residence within District 27 as I have demonstrated in the attached exhibits of this affidavit. Under SDCL 12-1-4, it states that "A person retains residence in this state until another residence has been gained. If a person moves from this state to another state or territory with the intention of making it the person's permanent home, the person loses residence in this state." In regard to this affidavit, Ms. Foster has never relinquished title to her properties or surrendered her residency status based on the tax bills mailed to her Colorado address nor did she expunge her voter registration within the State of Colorado as she continues to receive a ballot to her primary place of residence. According to the published information identified on the State of Colorado Secretary of State Website under Voter Registration FAQs, voters are only allowed to have one residence when registering to vote. Reference Exhibit 10 (page 29). Ms. Red Dawn Foster claims three primary residences: two in Colorado and one in South Dakota. Therefore, based on the evidence, the South Dakota Secretary of State must declare Ms. Foster's nominating petition for partisan election for State Senator as invalid.

There are links for 'Skip to content', 'Secretary Griswold', and 'Español'. A search bar is also present. Q4. What is a "residence" for purposes of voter registration and voting?

A4. The term "residence" generally means the principal or primary home or place in which a person lives. A "residence" is a permanent building or part of a building and may include a house, apartment, condominium, room in a house, or mobile home.

Homeless voters can register to vote. A homeless voter may use any address within a specific county that he/she regularly returns to and has the intent to remain. This may include a homeless shelter, a homeless service provider, a park, a campground, a vacant lot, a business address, or any other physical location.

You must have a residence to register to vote. Once you establish a residence, it exists until you establish a new residence.

Note: you may not have more than one residence.
